

### Removable Mesh Pool Fencing

Aircraft-grade aluminum poles used to hold pool fencing are extremely strong and durable. The self-latching key-lockable pool gates can be easily opened by adults while preventing access by small children. These pool gates are self-closing and the fence itself is highly climb-resistant. The fine mesh prevents children from securing a foothold as they might be able to with chain link or ornamental iron fencing.

### Redwood & Cedar

Our Cedar and Redwood fences are a great option for replacement of your existing wood fence. We offer wood posts and a variety of steel posts, as well as a variety of fence designs.

### Ornamental Iron

We offer ornamental iron fencing and gates that range from economical to extravagant. All of our ornamental iron is powder coated with a zinc primer and a high-quality powder coat for the final color.

RESIDENTIAL AND COMMERCIAL

*We Fence With*

**PURPOSE**

### Chain Link Fences

We offer top quality standard chain link in multiple heights, as well as high quality privacy chain link. We strive to meet or exceed industry standards as well as the high standards of our amazing clients.

### Vinyl Fences

Vinyl Fencing can be a beautiful upgrade to any yard. The vinyl we use has a lifetime manufacturer warranty and will last for years to come.
